

NUMBERS GAME - ORIGINAL

Object: To place numbers 1 to 8 in the marked positions.

Rule: None of the numbers must be in consecutive order with any other numbers directly connected with lines.

Example: The number 5 must not be placed so any connecting line joins to a 4 or 6.

A Timed Individual or Team Challenge

Paul Calleja-Gera – 15th Cheltenham (SHURDINGTON) Scout Group – September 2011
