

# **MINDLESS VANDALISM**

**This happened today Saturday 4th August 2007 at 3.45am**

**CCTV recording shows three boys approaching the Social Centre car park from Church Lane at 3.45am Saturday 4th August, running up to the toilets and pushing them over, spilling muck and disinfectant all over Bishop Road.**

**They then walked down towards the Yarnolds area.**

**Well! If my own son came home about 4am I would start worrying as to what he was up to and with whom.**

**Any information can be passed to Police on 0845 090 1234**
