

Hello,

Thank you for sending us all the information about you, your Scout Troop sounds cool!

We are the 15th Cheltenham (Shurdington) Scout Group in a village just outside Cheltenham.

We have emerald green and orange scarves on our uniforms. In England we have the same uniform boys and girls. Our Group started in 1949.

Our Leaders are Louise Slee, Vanessa Weir, John Cummings, Steve Hanks, Stuart Evans and Kate Scrivens.

We have four patrols in our group, called: Kingfisher, Merlin, Hawk and Kestrel.

We have meetings every Monday in the Shurdington village hall.

We often go on camp. We sleep in tents or huts, have trips, sing around the campfire and have a great time.

Write back soon, we'd love to hear more about your Scout Troop and maybe one-day meet each other.
