

Gloucestershire Echo, 'Where I Live '

**SHURDINGTON
Saturday 20th June 2009**

- Because of family problems I will make it short this week.
- Just to say that this year is the 60th anniversary of the launch of our Scout group here in Shurdington by Leonard Trainer in February 1949. To mark the occasion all Group members spent last Monday evening at Cranham Scouting Centre, where many parents stayed to join in the fun. We had a few games based on 60 which were organised by Louise Slee, our Scout and Beaver Leader, barbecue and campfire. With many thanks to the many Leaders who attended, parents who stayed to help and the young members who came and stayed to take part in the games and fun. One very special vote of thanks goes to Naomi Rust who provided us with a super birthday cake. Lots of photos on the village website.

With thanks and regards.
