Tewkesbury Borough Play Rangers

Our Play Rangers aim to encourage children, young people and their families to *'Get Out and Play'* and to use their local parks for play

We do this through 'open access' play providing activities and promoting a safe space to play. We offer a wide range of activities aiming to cover all interests and abilities. Due to the open access nature of our work, children are responsible for their own actions

The Play Rangers are funded by the Big Lottery Fund's Children's Play Programme and will be working in partnership with local community groups in each area

Free to use, free to choose, free to come and go as you please..
